*Transform Your Corporate Event
Into an Unforgettable Experience*

WHO WE ARE

We're Madrid's premier **bilingual** (English/Spanish) improvisational theatre company.

We create **fun, interactive shows** for company events and celebrations, clean, inclusive and tailored to your culture. Since 2006, our international team has **performed worldwide** for audiences of all sizes.

WHAT IS IMPRO?

Impro is **live performance created spontaneously** from **your team's suggestions**; no scripts, just instant creativity. It's like watching a movie being written and performed at the same time, with your colleagues' ideas as inspiration.
